ScalES-PPM - Feature #298

Use binary search in sorted_insertion

01/18/2012 08:58 PM - Thomas Jahns

Status:	New		Start date:	01/18/2012
Priority:	Normal		Due date:	
Assignee:	Thomas Jahns		% Done:	0%
Category:			Estimated time:	0:00 hour
Target version:				
Description				
Since the list is already sorted upon sorted insertion, it would be beneficial to use binary search for finding the insertion position.
